

GREAT NEWS!

Serving together for the next level

Have you ever experienced this before?

You encounter a person in need, and you can see the distress in their eyes. Your heart sinks. You want to help, so you do what you can. You offer material and spiritual assistance. At the same time, you know that many more steps are necessary to truly change the life of this person. You realize that you need partners who share the same burden and can support you along the way.

Our team at Alabaster Jar has experienced this often over many years. Your committed, faithful and very personal support – through prayer and financial giving – makes our work possible every day. You are with us on this journey, and for that we thank you from the bottom of our hearts! Together we now want to venture into a new era because we want to see real, positive and lasting change in the lives of sexually exploited women. **And this is where our new partner comes into play: Samaritan's Purse e.V. – the good Samaritan.**

Behind the scenes, Samaritan's Purse is also undergoing a profound process of change. As part of an international network, the Berlin-based association has now set the course over the past two and half years for generous and professional missional service to happen at home here in Germany.

The guiding principle of the work of Samaritan's Purse e.V. is the story of the Good Samaritan in the Gospel of Luke.

Motivated by this parable, Samaritan's Purse e.V. approached Alabaster Jar, saying: "We cannot simply look away from the tragic stories of women in forced prostitution. We want to help – with our team, our reach, our whole heart. Together we are stronger. We would like to invite you to become part of the Samaritan's Purse family and in doing so, open the door to new future opportunities."

“ When I was still in school, I thought this work was glamorous. That was my biggest mistake.
A WOMAN ON THE STREET

Lives transformed. Dignity restored.

Many conversations and countless prayers later, we are privileged to announce that on 1st September 2021, Alabaster Jar e.V. will become one of the National Programs of Samaritan's Purse e.V.! The name 'Alabaster Jar' will be retained under the new structure. We are looking to the future full of excitement and confidence, because we see authentic and trusting relationships being established and developed.

We share the same focus: to serve in the name of Jesus and to make His Name great.

The values, which underpin our work together, are as follows:

1. Proclaim the Gospel (Romans 1:16)
2. Serve with Excellence (Colossians 3:23-24)
3. Respond with Compassionate Action (Luke 10:33-37)
4. Demonstrate Biblical Integrity (Psalm 119:1)
5. Walk in Bold Faith (Matthew 19:26)

On this basis, we want to invite you, dear supporters of Alabaster Jar, to dream, believe, pray and give once again. Together, we want:

- To transform the lives and impact the hearts of women trapped in prostitution
- To create new possibilities for long-term help and support
- To give those affected a stronger and more public voice
- To create more opportunities for relationship, and to introduce Jesus as Savior, Redeemer, and Comforter.

We would be delighted if you would consider giving a special financial donation in support of Alabaster Jar and Samaritan's Purse e.V. coming together. Your generous support is so important for our work to flourish.

Perhaps you have a lot of questions right now? Please feel free to contact us directly so that we can connect. You can learn more about Samaritan's Purse e.V. here: www.die-samariter.org.
